Senior Living Specialists of California

Our Family, Guiding Yours

Our journey in senior living began with caring for our mothers, grandfathers, and aunts who had a number of issues facing many seniors:

- Cancer Care
- Heart Disease
- Dementia Care
- Hospice
- Home Health/Care
- Chronic Illness Care
- Senior Living
- Estate Sales
- Downsizing
- End-Of-Life Care
- Financial Planning
- Mental Health Care

We've Been Where You Are Now, And We're Here To Help.

We create comprehensive senior living guides and provide free placement services so you know your loved one has their plan in place.

Let us help you plan ahead so your family can enjoy their golden years as much as possible.

Empathy. Experience. Expertise.

By visiting over 150 senior living communities in Southern California and connecting with some of the best senior physicians, psychiatrists, elder lawyers, asset managers, home health/care providers, non-profits, and more, we can guide you to the best possible senior care and living options for your loved ones.

Do you know all of your aging loved one's needs?

Taking the first step is the hardest part of any journey, and it's even scarier when you don't know **where** to start.

Our concierge-style approach covers every aspect of senior living to ensure all of your loved one's needs are accounted and planned for, removing the fear of the unknown for you and for them.

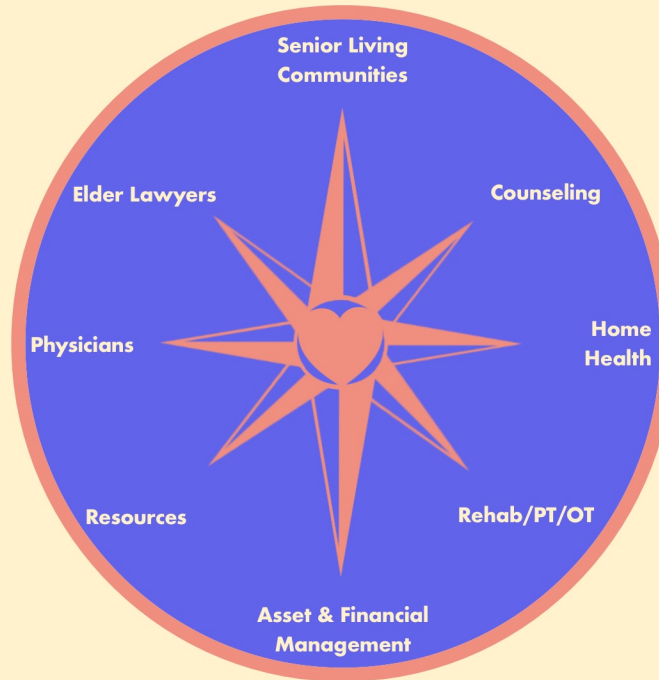

Are you overwhelmed by the decisions you have to make to care for your aging loved one?

Watching your loved one's care needs increase with time is hard — not just emotionally, but logistically.

Our service is designed to help simplify the process, making the the difficult decisions easier to make whether you're planning ahead or dealing with life's unexpected turns.

Life Is More Than Where You Live

Our mission is to guide you and your aging loved ones towards the best path possible on your senior living journey - whatever your needs may be.

From our network of trusted professionals in the senior care space and our expertise in senior living placement, to our experience in caring for our own older family members, we're ready to find the perfect path for you.

Are You Aware Of The Resources Available To Help Your Aging Loved One?

Less than 10% of older adults say they knew about or used senior living aid programs that they're qualified for.

We can direct you to best non-profit, state-sponsored, and local programs to get the help you need to care for your older family member.

Let Us Be Your Kindred Compass

Our complimentary placement service can help find the ideal community for your loved one.
